## Walk for Cancer

Albany Pink is busy planning our 6<sup>th</sup> annual walk for cancer on March 17, 2018, with proceeds benefiting the Albany Pink Crisis Fund through Phoebe Foundation. This event promises to be a first-class tribute and celebration that provides an excellent opportunity for local businesses to associate themselves with a worthwhile cause.

Albany Pink would like to ask you for your support of this event through a donation of sponsorship. We have a few different packages to choose from, enclosed inside for your review. With your contribution to the Albany Pink Walk for Cancer, we will be able to continue to help qualified indigent cancer patients currently in treatment, as well as those who will face treatment in the future. We can also consider in-kind donations of your company's product(s), services, or gift certificates should that fit your needs.

Albany Pink has raised over \$276,000 over the past 6 years and has helped over 450 local community cancer patients. We recognize that the reason we can continue to hold this event every year is because of our partnerships with businesses like you. With hundreds of participants, we hope that the advertisement of your business will be beneficial to you as well!

We appreciate your consideration and look forward to hearing from you soon. Please send your commitment form back promptly to Phoebe Foundation c/o Albany Pink Walk, 425 W. Third Ave. Ste 220, Albany, Georgia 31701 or email [info@albanypink.com](mailto:info@albanypink.com). If you have any questions or concerns, please don't hesitate to call us at your convenience at (229) 565-PINK.

Sincerely,
